If I go all out...

No. Even if I do, will I be able to stop Aran...?

Come out! You bastard!!

Shin, Bzzzzzz

Shin, Rrrrrp x2

You cause all this trouble and now you ignore my call?!

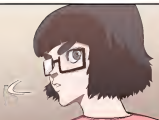

You were caught all over the place, too you know?!

That aside...

LONE MANGA!

TURN

What're you doing here?

We're here to deliver a message to the representative of the Branch Family.

I'm... the temporary representative right now.

To be exact, I'm just a temporary of a temporary of a temporary... so to speak.

LONE HARBOR

Uh, ahem... I'll deliver the message.

UNWRAP

DUDUNG

"We, the New Murim Alliance, are still protecting Murim from the robots. Give us the money, weapons and item you've promised us."

...That's the end of the message.

Suksoo is still fighting the robots?

And on top of it, requesting money and weapons... What are you talking about?

I haven't heard anything about this.

Hmph, I told you, brother. All the big families think about is themselves while we are out there risking our lives on the line.

I'm tired of hearing this.
I hunt those robots, too!

Ha! Once or twice, huh?
We hunt them everyday!!!
Everyday, you hear?!

BOW

I'm sorry for
my subordinate's
behavior.

Hmph! But what is this talk about weapons and money?

We've only heard from passing down the message as well. In exchange for us taking out the robots, the Main Family will give us lower tier skills and medicine to train our Ki...

and the Branch Family will give us 10 billion won every month.

LONE MANGA!

Haha! I knew this would happen!

This is just like
Suksoo, after all—

I... I've seen you
somewhere be...

I'm guessing
Suksoo is planning
something again?

The one we should be most wary of is Suksoo right now, you know.

Tell him that we'll send him the money in a couple of days.

We'll contact you through our private line.

But... Who...

Ah!! Could you be the one who had the hit music last year "Lovey-Dovey Critical Kick" ???

It's been over 20 years
since I've left the Branch, so of
course you wouldn't know.

I'm your grand
sunbae and the Elder's
younger sister, Hae-ji.

!!!

LONE MANGA!

But, where's
Aram right now?

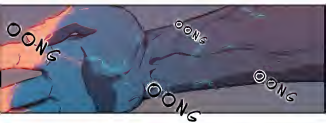

PALM OF CHUNGSOO!!

!!!!

LONE MANGA!

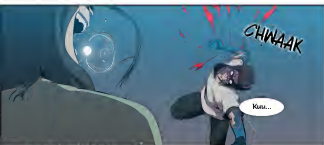

A character is shown on a rooftop, with a large, bright red explosion or fireburst occurring directly in front of them. The sound effect '아아아' (Aaa) is written in large, stylized Korean characters above the explosion, indicating a moment of intense pain or shock.

Silva et al.

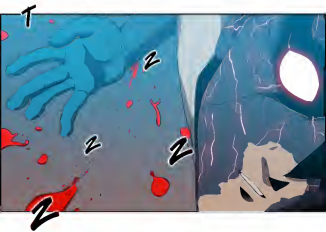

KUWAHAHAHA!
Didn't expect your Ki
to turn against you!!

LONE MANGA!

I'll finish you
off right now!!
